**DTREES**

## **Cosmetics developer for clear and healthy skin**

**Brings vitality and health to the skin...**

Through continuous research and development for many years, we have developed vitamin C essence masks using 'Chitosan vitamin C complex' and are selling them at great prices in the online market.

We produce various finished products such as mask packs that customers need at competitive prices and quality, and supply them to customers in a timely manner.

# Bonez Vitamin C Essence Mask

# Moisturizing # Brightening # Vitamin C # Vitality of Skin

1. Chitosan and vitamin C complex manufactured with a stabilization method gives vitality to the skin and makes it healthy.

Main Ingredients: Ascorbyl Glucodide(1,000ppm) and Chitosan

2. It uses a soft natural rayon fabric which is Albuam treated to magnify the adhesion.

[Packaging]

10 pouches in a Individual box, 24 individual box in a out box

# Bonez Pure Vitamin C Dry Mask sheet

# Moisturizing # Brightening # Vitamin C # Vitality of Skin

1. It is a dry-type mask sheet. Soak it in about 20ml of drinking water for 20 seconds and use it
2. The effective ingredients such as Vitamin C, Chitosan, Ceramide NP & etc are buried in the soft natural Rayon fabric with a special technique and delivers to the skin without any sticky meaning.

[Packaging]

10 pouches in a Individual box, 24 individual box in a out box

For the healthy and beauty skin, we are introduced a face mask pack containing mainly Vitamin C and Chitosan from last year 2020.

This mask pack has a good reputation for selling on the internet such as Smartstore and Coupang. Based on these results, we are continuously preparing new products.
